### Concentrated Extract of BUCHU

## COMBINED WITH

### Bromide of Potassium. Purchase a Bottle and carefully read direct

BUCHU IS A STIMULANT, and of itself
may fall to effect a cure, but Buchu,
when scientifically combined with Bromide
of Potassium and other ingredients, proauces a sedutive effect, and causes a healthy

action, thus increasing the powers of diges-tion, allaying irritation, reducing all unnatural swellings, stopping pain and inflammation, and causing the repairs and nutriments in the human body to be greater than the wastes, thus preventing decomposition and decay, and gives nourishment, health and vigor to the system.

My Buchu is good for all diseases arising

from excesses; such as Weakness, and Pain in the Back and Legs. Trembling in the region of the Beart. Weak Nerves, Pallid Countenance, Dryness of the Skin, Scrofula. Syphilis, in its many forms, Ulcers, and If your system is affected by any of the above symptoms and diseases, relief is at

hand. Get a bottle of my Buchu and Bromide of Potassium at once and youm ay rely on being cured. I know just what I say. My record as a Compounder of Medicine is second to no man DOORS, SASH, BLINDS AND GLASS

I am no upstart of yesterday. My Medicines are a success -- a great success. Louiswille is not large enough for me to have a competitor. I monopolize the Wholesale Patent Medicine Trade here. One and another has tried, by copying after me here in Louisville, to compete with me, but, one after another, their guns have been silenced.

and their efforts have been abortive. My Medicines are good and answer the purpose-that is the secret of my success. My reputation as a compounder of good, reliable articles is fully established. I believe my Buchu and Bromide of Poeassium is the best article now in the market for the cure of all ulsenses of the urinary or genito-unrinary organs, such as Nocturnal Incontinence, irritability of the Bladler and Ure hra, Inflammation of the Pelvis of the Kidney, and all that class of diseases Buy a dollar bottle and be cared. ## FOR THE CURE OF

## AGUE AND FEVER CHILLS AND FEVER

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a Southern Express Company great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in lifficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medioine, after having taken three or four doses of the Tonic, a single dose of BULL S VEG-STBALE FAMILY PILLS will be sufficient.
